Index to Volume XLIX

Dates in parentheses after the names of vessels indicate either the years of building or the reference. Dates indicating the year of the reference are printed in italic type: vessels having compound names are indexed under the initial letter of the *first* word. A list of vessels having compound names, arranged alphabetically by their last names, follows the index. This index was prepared by Geraldine M. Ayers of the Peabody Museum Staff.

Abbotsford, steamer *(1870)*, 24.
Adams, ship *(1813)*, 42.
Adams, Charles Francis, 119.
Agassiz, Louis, mention, 36.
